

# REMOTE LEARNING BLUEPRINT

## 3 day plan

All classes will have a 3 day plan with activities to be accessed independently straight away while awaiting a test result.

## Seesaw (Year 1 upwards)

### Tapestry (EYFS )

These apps will be the main method of communication between the class teacher and home in the event of a confirmed case and subsequent isolation. Tasks will be set here, and completed work can be shared with the teacher. Please make sure you have access to the relevant platform.

TAPESTRY  
ONLINE LEARNING  
JOURNAL

## Video Catch-Ups

If there is a bubble closure or a lockdown, teachers will offer a daily video check in with members of their class using Microsoft Teams. Please make sure you have the app, and a working log-in.

## Timetable

We appreciate that home learning can be a challenge, and that timetables need to be flexible. Therefore each day teachers will provide 3 essential lessons to be completed as fits your schedule-this will always include English, Maths and one other Subject.

## E-safety

Safeguarding is everyone's concern and a key priority. Staff monitor the online learning platforms. Children must report concerns immediately and parents must supervise online learning activity.
