Chair of Governors: Maxine Dennis

Head Teacher: Simone Fellows

Assistant Head Teacher: Becky Davies

Management of Children's Toileting Needs

The staff and governors of Ellistown Primary School recognise their responsibility for the health, safety and welfare of the children in their care.

The expectation is that children are toilet trained when they enter school. However, occasionally children do have 'accidents', particularly when they first start school. There is also an understanding that there are specific medical conditions that may result in difficulties. Please inform your child's class teacher if your child has any specific medical needs.

If the need should arise that a child requires help school staff will support them. Wherever possible staff who help children with toileting difficulties will be accompanied by another adult.

In some circumstances we may need, and will reserve the right, to contact parents and request that the child should be collected from school or that parents come into school to assist their child.

Please complete and return the slip below to indicate that you are in agreement that a member of staff should help your child to wash and change their clothes if necessary.

Management of Children's Toileting Needs

I give permission for a member of staff at Ellistown Primary School to help my child

(name) _____

If they wet or soil themselves after a toilet 'accident'

Signed _____ Date _____
