Dear Parent/ Carer,

Here at Ellistown Primary School we often like to use photographs and video of the children to share with you on our online learning portals (currently seesaw and Tapestry but this may change in the future) to share with the community in our school newsletter and on our social media sites and the website and to display around the school to bring the children's learning to life and celebrate what we have been up to.

Very occasionally we may also be visited by the media who will take photos or film footage, for example this year some of our children were featured on the radio performing a short play and we have also been in the newspaper in the past to share first day of school photographs and when special events of note have happened in school which are newsworthy.

We might also want to contact you from time to time to let you know about ways that we are fundraising here in school in order to improve the quality of education we provide.

Under the terms of the Data Protection Act 2018 we need your consent to include your child's information in the above named activities.

Please answer the questions below, then sign and date the form where shown.

If you change your mind about your responses at any time, you can let us know by emailing admin@ellistown.leics.sch.uk,

If you have any other questions, please get in touch.
