## Using Images of Children

### Parental Consent form for use by Leicestershire County Council Schools

From time to time, our school may be visited by the media who will take photos or film footage, for example of a visiting dignitary or other high profile event. Pupils often appear in these images which may appear in local or national newspapers, or on televised news programmes.

Occasionally, we may take photographs of the children at our school. We may use these images, for example, in our schools prospectus or in other printed publications that we produce as well as on our website. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.

To comply with the Data Protection Act 2018, we need your permission before we can photograph or make any recordings of your child. Please answer questions 1 to 5 below, then sign and date the form where shown.
